

“Your Dating Checklist”

Have your on line dates bombed? How do you choose a date? Ssshhh! Don't tell your date about this. If you're on line looking for a date, here's a secret way to determine what they're really like. Take a good look at the faces of your potential dates. Each face reveals its personality, background, and destiny. Keep this checklist handy as you look through all those photos. Also use this with anyone who appeals to you.

- Adventurous/risk taker - high prominent cheekbones, cleft in chin
- Emotional – large eyes (little white area), turned up nose
- Possessive – ears stick out
- Romantic - dimple in chin
- Competitive - wide face, strong jaw & chin
- Critical – eyes slant down
- Friendly/Informal - low set eye brows, large ears
- Sensuous - full lips, bedroom eyes, eyes that slant up
- Playful - dimples in one or both cheeks, dimple in chin
- Moody – the left and right sides of the face are opposites
- Quiet/Reserved – deep set eyes, small iris, small mouth
- Sexy - full lips, lower eye lid droops, thin lines under eyes and near the temples, large dark eyes, wide upper eye lid, wide groove under the nose
- Dominant - high domed forehead, pointed chin
- Impatient – eyes are very close together
- Generous - full lips, round nostrils or wide flared nostrils
- Dependable - wide nose wings.
- Creative - dome forehead, round nose tip, curved eyebrows, round head
- Intellect - thin face, large forehead, small jaw & chin
- Suspicious – crooked mouth
- Violent – whites under both irises

Next get a mirror. Check yourself against this list. As you are looking at yourself, look at your prospective date. Do you have the same type of features? The more facial features you have in common, the more compatible you are. You'll have similar interests.

Face Reading (physiognomy) is an ancient science that reveals the personality and destiny of everyone. What you think about most of the time shows up on your face. So your face becomes a road map of your mind. Discover [“What Your Face Reveals.”](#)
